Our School Value: Forgiveness

Be kind to one another, tender-hearted, forgiving one another, as God in Christ forgave you. Ephesians 4.32

Dear parents,

I can't believe that we've reached the Easter holidays already. Thank you to everyone who joined us for our service this morning to celebrate our Values Champions for this term. It was lovely to celebrate together as a whole school family. Thank you to all of our children for their 'Forgiveness' this half term. Huge **congratulations** to everyone who received their awards today.

Thank you to Foxes for sharing the Easter Bible Story with us this morning and reminding us of the sacrifice that Jesus made as well as his forgiveness to others. The beautiful singing from Foxes further reminded us of Jesus the Saviour. Thank you also to Owls for singing 'In the Easter Garden.' Hedgehog's chick dance and 'Baker's Shop' nursery rhyme was a great end to our Easter Celebration. There are some budding actors of the future here at St. Leonard's.

On Thursday morning, Alison from Youth Net joined us to support our learning linked to Church, Lent and Easter. The children used a range of props and resources to deepen their understanding and inspire their questions. It was reflective morning full of awe and wonder.

We can't thank everyone enough for the beautiful Easter bonnets and Easter gardens; the children were so proud of their creations which we turned in to an Easter themed gallery in the hall. The children enjoyed looking at all of the entries. Mrs Sheldon kindly judged the competition- many **congratulations** to the two winners from each class.

We wish everyone a restful break and look forward to welcoming you back for the summer term on Monday 13th April. We have so many wonderful opportunities to look forward to during the term ahead.

Warmest Easter wishes from,

Mrs Claire Keay and our wonderful staff team

Children made Easter baskets and Mrs Trumble added a chocolate treat for the last Art club.

On Thursday we welcomed Alison from The Youth Net who re-told 'The Easter Story' through songs, stories and games.

Please share with anyone who you think might be interested.

Ordering of school meals

We kindly ask that ALL parents and carers order their child's school lunch **every day** – this can be done in advance if preferred. Please note if your child has an appointment in a morning but will be needing a school meal then let the office know. If a child is off school poorly, then any ordered meals are cancelled otherwise the school has to pay.

Attendance figures

23rd – 27th March 2026

Holiday forms must be handed into the office – these are available in the entrance hall.

Unless in exceptional circumstances, holidays will be counted as unauthorised absence.

Hedgehogs	98%
Owls	98%
Foxes	95%
Whole School	97%

The national target for attendance, as set out in guidance from the DFE is 95%

Impact of lateness over a school year:

- 5 minutes late every day = 3 days absent
- 15 minutes late every day = 10 days absent
- 30 minutes late every day = 19 days absent

Pupils arriving late miss valuable learning time and it can contribute to them becoming anxious when they enter the classroom late.

PE STARS OF THE WEEK

In Design and Technology Owls have been learning how to handle and prepare fruit and vegetables in preparation for designing and making salads. They have washed, chopped, sliced and grated a range of fruit and veg and have also learnt about the importance of working safely and hygienically when preparing food.

Lord Jesus,

Thank you for everything you have sacrificed for us.

Thank you for the joy of your resurrection and the new life we have in you.

Amen

Dear St Leonards Cope,

I'm writing to let you know that Well Pharmacy has introduced a **Private Chickenpox Vaccination Service**. This service is available for individuals aged 12 months and over who have not previously had chickenpox or been vaccinated, including older children and adults.

The vaccination course consists of two doses given at least six weeks apart and is delivered by our trained pharmacists within a structured, clinically governed service. Appointments are available to book in advance, making access convenient for families.

Chickenpox is caused by the varicella zoster virus, which can remain inactive in the body and reactivate later in life as shingles. Because of this link, it is important for adults — particularly those eligible under national guidance — to consider shingles vaccination to reduce the risk of developing what can be a painful and long-lasting condition. We are also able to offer a **Private Shingles Vaccination Service** alongside our Private Chickenpox Vaccination Service.

Introducing vaccination within the wider school and nursery community can help limit disruption associated with outbreaks and reduce avoidable absence among both pupils and staff. We are happy to work collaboratively with you to share information with parents and carers and support informed decision-making.

If helpful, we can provide posters, digital materials or further details about the service for distribution. Please feel free to contact us if you would like to discuss this further.

Yours faithfully,

Vanisha Gupta

Dear Parent/Guardian

We are writing to all parents and guardians of children of school age, from Reception to Year 11, in Staffordshire and Stoke on Trent, to encourage them to check that their child's Measles, Mumps and Rubella (MR) vaccinations are up to date.

MMR can spread easily between people and can lead to serious health problems including meningitis, blindness and hearing loss.

To check your child's vaccination history, please refer to their Personal Child Health Record (PCHR), commonly known as the 'Red Book', or contact your GP practice or the School Age Immunisation Service.

If your child has missed one or both of their MMR vaccinations, please contact the School Age Immunisation Service on 0300 124 0366 between 8:30am and 12:30pm, or email school_immunisation@mpft.nhs.uk to schedule an appointment for your child's vaccination.

The fundraising challenge for little explorers!

Walk 3km (the same distance a hedgehog can walk in one night) and raise money for wildlife!

30 March – 30 April 2026

wildlifetrusts.org/hedgehog-walk

Will you join Carter and Violet?

Going on a Hedgehog Walk is as easy as 1,2,3!

- 1 Sign up & download your activity pack bursting with Timmy Time fun - posters, activity sheets and tracking timelines!
- 2 Tell lots of people about your fundraising challenge and ask them to sponsor you.
- 3 Walk, wheel, crawl or roll 3km between Monday 30 March and Thursday 30 April - all in one go or in stages!

The donations children collect will help care for wildlife in Staffordshire; **every £27** raised could help a local child engage with nature through play or **every £50** raised could help care for a local nature reserve for a day.

"We were so inspired to join in with the Hedgehog Walk last year after realising that, during Carter and Violet's lifetimes, hedgehogs could go extinct. We can't wait to take part again this year!"
