Friday 11th September 2026

Thankfulness | Give thanks in all circumstances; for this is the will of God in Christ Jesus for you. **Thessalonians 5.18**

Dear families,

We have enjoyed a wonderful week at school where learning, fun and friendship have dazzled us. The children have settled so well into their new classes and routines in school. We have warmly welcomed new children to nursery this week; it is so lovely to see the children having so much fun with Mrs Thompson and Mrs Jackson as they explore the wide ranging learning experiences in Early Years.

A highlight of this week was our first 'Rock-it Music' lessons as a class. We are so lucky to have a specialist music teacher in school each Monday to enhance the depth of our musical knowledge, skills and enjoyment. We look forward to showcasing our learning with you during the year ahead.

The extension to Hedgehog class continues to move forward. The contractor has estimated that the building work will be finished by the beginning of October. We can't wait to open our updated and improved nursery/reception classroom. The enhancements to our learning environment are making such a positive difference to the children.

Family art challenge: please send in your family art linked to 'the Dot' story. We can't wait to share photographs of our new display.

Thankfulness is the value of this half term and we wanted to end our first news letter by sharing our thanks with everyone for such a warm, friendly and positive start to the term from our whole school family.

Wishing everyone a wonderful weekend ahead,
Mrs C Keay and our thoughtful whole school team

Dear God,
Thank you for the love and care at our school.
Help us to Trust in each other and always aim high in everything that we do.
Give us the strength to persevere and carry on when faced with challenges.
With belief we really can achieve anything.
Amen

RE
Why is the word God so important to Christians?
In this unit, pupils are introduced to some key beliefs for Christians such as creation, stewardship and God.

It has been another lovely week in Hedgehogs as we have continued **getting to know one another** and celebrating what makes each of us special and unique!

We talked about **what we like about ourselves and what we are good at**, helping the children to recognise and celebrate their own strengths and qualities. We enjoyed reading *I'm Happy Being Me* and discussed how, just like **pebbles on a beach, no two people are exactly the same**. The children then created their own unique pebbles, celebrating what makes them special.

In Maths, Reception have been learning about **matching**, using the language *same* and *different*. Nursery have been exploring **collections**, comparing groups and beginning to use the vocabulary *more* and *less*.

In Phonics, we have made a fantastic start to our learning! This week we have introduced the graphemes **s, a, t and p**, beginning to recognise the sounds they represent and practise forming them.

We are so proud of how the children are settling into Hedgehogs, building friendships and growing in confidence each day! 🌿❤️

Some of our pupils have severe nut allergies, and even a very small amount of nut residue can cause a serious allergic reaction. To help keep everyone safe, please check lunchboxes, snacks, and treats carefully before sending them into school.

This includes products that contain peanuts, tree nuts, nut spreads, nut-based snack bars, and any foods that may contain nuts.

We greatly appreciate your support and understanding in helping us provide a safe environment for all members of our school community.

Thank you for working with us to keep every child safe. 💙 ☀️

Please help yourself to any of the items on our rail which can be found either outside of school or in the entrance hall. If your child has outgrown any uniform and you would like to donate for others to use, please make sure you have removed any names and then place on the rail for others.
